Ring Sizer

Instructions:

1. Print this page and be sure to **uncheck** the “fit to page” or “scale to page” option on your print command screen.
2. Cut out the ring sizer above.
2. Roll the ring sizer to fit around the knuckle of the finger you wish to size.
3. Once the band is snug, note the ring size number that appears at the end of the arrow to find your ring size.
